YEAR PLANNER

## MESSAGE FROM THE DIRECTOR

*Dear Friend,*

*The new year is a moment of hope, joy and energy. It's a time for new dreams and innovative strategies to sustain life and rebuild a better world after the pandemic.*

*Don Bosco Network would like to support your dreams for the new year. We wish this planner will remind us of the opportunities for doing good. As you plan for the new year, we request that you spare a thought for the dreams of those who are not as fortunate, in terms of resources of education, skills, wealth, health and support systems. The need to transform the situation after the impact of COVID 19 is inevitable for all of us, but more so for vulnerable people.*

*Don Bosco Network reached out to 3.28 million poor and marginalised people affected by the virus on behalf of YOU. We are duty bound to thank you for being with us with your committed support to tide over the pandemic crisis in the past. The call now is to reach out to children, youth, migrants, women and communities and experience the joy of giving hope to others.*

*May you remain hopeful and joyful all through the coming year, and may your dreams come true!*

*A very happy New Year to you!*
